

AKUSTIKABSORBER demo display (Ref: 755008)

A display for those distributors that wish to show the Akustikabsorber soundproofing composites.

It can be hanged or supported on the counter. Incorporates a plastic screen so dirt or powder does not get inside.

Fits easily in the counter of the shop.

Technical characteristics

H: 61.5 cm, W: 74.5 cm, D: 16 cm
