TSR Fixing Base

Metal base for fixing TSR 70x70 + Sylomer® mounts to floors, walls or machinery. Secure and versatile installation, particularly suitable for uneven surfaces.

The **TSR Fixing Base** is a metal accessory designed to **fix and maintain the position of TSR 70x70 + Sylomer® mounts**.

It secures the position of the mount and facilitates installation on different surfaces, including **floors, walls and directly onto machinery**.

Its design is particularly suitable for **uneven floors and surfaces**, providing reliable positioning of the TSR mount.

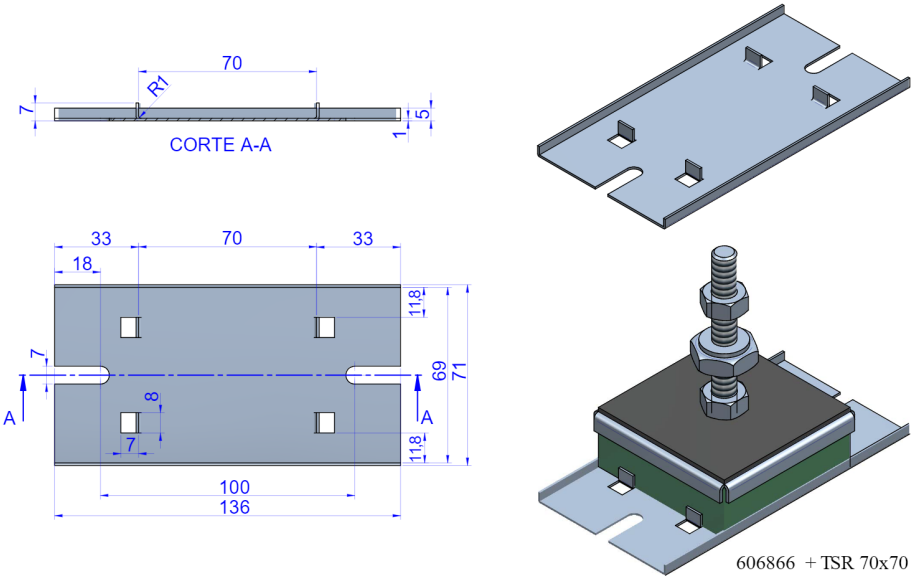

The fixing base therefore provides a simple and robust accessory for integrating **TSR 70x70 + Sylomer® mounts** into a wide range of installation configurations.

TSR 70x70 fixation

Type	Code
TSR 70x70 fixation	606866

Advantages

Easy Installation

This mount requires minimal structural modifications, making installation quick and straightforward.

Mount offering high stability

Suspensions built with this mount barely move, thanks to a geometry designed to control the movement of the suspended element.
