

Akustik T +Sylomer®

Supporto scorrevole per soffitti sospesi di tipo « T ». Isolamento con Sylomer® e montaggio rapido con allineamento facile.

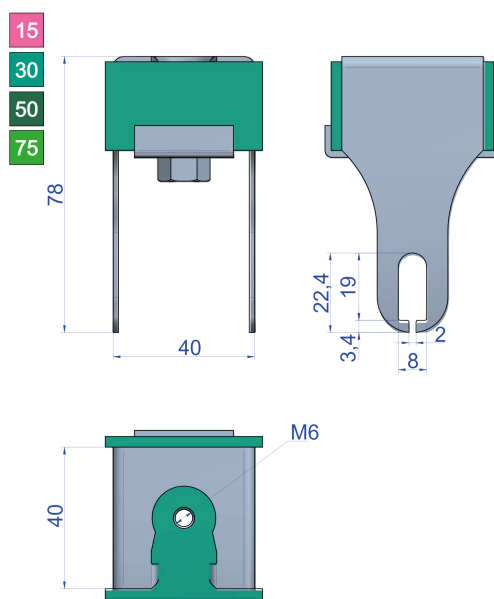

Progettati per l'isolamento acustico dei controsoffitti, questi supporti antivibranti riducono al minimo la trasmissione di vibrazioni e rumori strutturali.

La loro efficacia li rende ideali per sale tecniche, uffici e qualsiasi ambiente che richieda un elevato livello di comfort acustico.
